*Proceedings of the Madras Government, Public Department,
31st August 1869.*

Read the following papers :—

No. 206. From the Collector of Tanjore, to the Chief Secretary to Government, Fort Saint George; dated Point Calimere, 28th July 1869, No. 636.

Agreeably to a resolution passed at a recent Meeting of the Managing Committee of the Public Dispensary at Mannargudi, I have the honour to submit, for the favourable consideration of Government, an application from the said Committee for an Hospital Assistant being appointed to the charge of a Branch Dispensary, which it is proposed to establish at Tritrapundi for the treatment of out-patients, as also for English medicines being supplied thereto at the expense of Government.

2. The financial position of the Mannargudi Dispensary has been recently much improved by the voluntary contributions of the inhabitants of the Mannargudi and Tritrapundi taluqs to the extent of Rupees 14,508. Out of this sum four per cent. Government Securities of the value of Rupees 14,300 have been purchased, which, with the previous investments, make up the total funded capital of the institution to Rupees 32,000, yielding an annual income of Rupees 1280.

3. Of the subsequent local contribution above mentioned, upwards of Rupees 10,000 have been contributed by the inhabitants of the Tritrapundi taluq, and as they derive but little direct benefit from the Mannargudi Dispensary, situated as it is at a distance of seventeen miles from the cusbah of their taluq, they are anxious to have a Branch Dispensary at Tritrapundi, so as to secure the benefit of medical aid within easy reach.

4. The Managing Committee of the Mannargudi Dispensary have agreed to provide from the income of that institution, for the maintenance of the proposed Branch Dispensary, a sum equal to one-half of the interest on the total amount which the inhabitants of the Tritrapundi taluq have contributed. This will be about Rupees 210 annually, and can well be spared after providing for all the expenses of the main Dispensary.

5. I trust, therefore, that the Government will be pleased to order an Hospital Assistant to be detached to the proposed Branch Dispensary, and English medicines to be supplied to it gratis. The annual allowance of Rupees 210 above mentioned will be sufficient to meet all other incidental charges thereof.

6. It is expected that, when the proposed Branch Dispensary has been opened the inhabitants will provide funds for the erection of a suitable building for it. Meanwhile one will be rented for the purpose.

Referred to the Inspector General of the Indian Medical Department for his remarks.

FORT SAINT GEORGE,
7th August 1869.

(Signed) H. E. STOKES,
Actg. Under Secy. to Govt.

Proceedings of the Madras Government, Public Department.

31st August 1869.

No. 207. From the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 18th August 1869, No. 312.

In returning the letter from the Collector of Tanjore, referred to me with your docket of the 7th instant, I have the honour to state, for the information of Government, that the services of an Hospital Assistant will be made available for the proposed Branch Dispensary at Tritrapundi, should Government be pleased to sanction the addition of a subordinate of that class to the strength of the establishment. Medicines can be supplied, as usual, from the Medical Stores.

No. 208. ORDER THEREON, 31st August 1869, No. 1217.

As requested by the Collector, the Governor in Council directs that a Hospital Assistant be attached to the proposed Branch Dispensary at Tritrapundi, and that the requisite medicines be supplied. The necessary addition to the establishment of Medical Subordinates is accordingly sanctioned.
