To the Acting Under Secretary to Government, Fort Saint George.

(Signed) F. LUSHINGTON,

Accountant General.

From Surgeon G. BIDIE, M.B., to the Accountant General, Madras; dated Madras, 21st July 1869.

I have the honour, with reference to your's, No. 2586 of 19th July, to send you the desired information.

2. I left Madras to take up the duties of Commissioner for investigating the ravages of the Borer in coffee estates on the 2nd November 1867. On receiving instructions from the Commissioner of Mysore, I proceeded to Coorg, and remained in that Province until the 28th February 1868.

Proceedings of the Madras Government, Public Department,
31st August 1869.

3. From Coorg I proceeded to Munzerabad and Nugger, and was in Mysore until the 23rd April, on which day I took my departure.

4. Thereafter I was in Wynaad and under the Madras Government on this special duty until the 8th August 1868.

No. 211. To the Chief Commissioner of Mysore and Coorg, dated Fort Saint George, 31st August 1869, No. 1218.

I have the honour, by direction of the Governor in Council, to forward copies of two Memoranda received from the Accountant General of this Presidency showing the amounts debited in the accounts of this Presidency and in those of Coorg, as expended on the special investigations made by Dr. Bidie into the ravages of the Borer. It does not appear whether, in addition to these sums, any expenditure for the same purpose has been incurred in Mysore, and I am to request that the amount if any may be added, and the total cost of the investigation thus arrived at.

2. His Excellency in Council is of opinion that the most equitable way of distributing the cost of the investigation between the three provinces of Madras, Mysore, and Coorg, would be to divide it in proportion to the time spent by Dr. Bidie in each. The accompanying copy of a letter from Dr. Bidie shows that he spent 119 days in the Coorg inquiry, fifty-four days in Mysore, and 107 in Madras. I am to request that the amounts debitable to each may be calculated and adjustment accordingly effected. It will be observed that a sum of Rupees 53-14-10 has already been debited to the Government of India in the books of this Presidency.
