Proceedings of the Madras Government, Public Department,

31st August 1869.

No. 212. Read the following letter from the Officiating Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 16th August 1869, No. 2812.

I have the honour to forward, herewith, for submission to Government, six copies of the Report of the Sanitary Commissioner on the vital statistics of the city of Madras during the 2nd quarter of 1869.

No. 213. ORDER THEREON, 31st August 1869, No. 1219.

The Government deem it unnecessary to review the present report, it being there admitted that the statistics given are based on data that cannot be relied on, owing, as represented in paragraphs 3, 4, and 19, to the unsatisfactory working of the newly-introduced system of registration of births and deaths. The Government, however, look for more accurate returns, when the requirements of Act IX. of 1867, (Madras,) so far as they relate to such registration, are better understood and complied with by the public.
