No. 157. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 25th January 1869, No. 25.

In accordance with the request of the Secretary to the "Edinburgh Medical Missionary Society," I have the honor to forward, for submission to Government, the enclosed letter, in original, expressing the grateful thanks of the Directors of that Society to the Right Honorable the Governor, and the Members of his Council, for the boon conferred on Mr. Patterson, by the gratuitous issue of medicines and instruments to the Institutions under his charge.

From B. BELL, Esq., Secretary to the Edinburgh Medical Missionary Society, to the Inspector General, Indian Medical Department, Madras; dated Edinburgh, 26th November 1868.

The Directors of the Edinburgh Medical Missionary Society are exceedingly obliged to you, for the kind and spontaneous manner in which you made a representation to the Governor of Madras in Council, in behalf of the Medical Mission. The gratuitous issue both of medicines and instruments which was granted to Mr. Patterson, as the result of your application, is very gratifying to us all, not merely on account of the important benefits bestowed, but also because it indicates the position which the Medical Mission holds in public estimation.

2. Will you have the goodness to add still farther to our obligations, by conveying, in the way you consider best, to Lord Napier and his Council, the special acknowledgments and grateful thanks of the Directors of this Society, for the important boon which they have conferred upon Mr. Patterson, and the Institutions under his charge.
