Nos. 30 and 31 do not appear to have been sanctioned for any other Municipality.

2. Bye-laws Nos. 2 to 6, Nos. 8, 20, 22, 23, 28, and 29 appertain to the regulation of order in public thoroughfares.

* "No one is allowed to fence his compound or field with hedge of prickly-pear."

3. His Excellency the Governor in Council approves and sanctions the Bye-laws 2 to 30 and 32, and directs their publication in the *Tanjore District Gazette* for a period of one month. Six copies of the sheets of the *Gazette* containing the bye-laws should be forwarded to the Government office for record.

4. The Government are unable to sanction Bye-law No. 31. Although it is highly desirable to prevent the extension of prickly-pear, and to encourage its removal in places where it now prevails, it would be a hardship to insist on the immediate removal, by residents within Municipal limits, of the growth of years.

No one is allowed to fence
his compound or field
with hedge of prickly-pear.

No 31 Though not in any
opinion, be sanctioned.
It deals with an evil w.
the mischief or ignorance of
our magistracy has left
unchecked for generations
past. To prevent the future
extension of the prickly-pear
nuisance is one thing; - to remove
that the prickly-pear now growing
on the ground of landholders
shall be eradicated within a
date, given by Notice, will
involve the ruin of many
persons. Removal of the pear
is most costly. The sale price
of the clear ground with work
always pay the expense of
getting rid of the pear
