*Proceedings of the Madras Government, Public Department,
28th January 1869.*

No. 159. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 18th January 1869, No. 17.

I have the honor to submit, for the favorable consideration of Government, the enclosed letter from the Superintendent General of Vaccination, praying that the

Vaccinators employed at certain Hill stations may be granted an allowance of Rupees 5 a month, to enable them to provide themselves with warm clothing, and to meet the increased cost of living.

2. For the reasons stated by Dr. Shortt, and considering the small pay these men receive, I would respectfully solicit that the boon asked for, on their behalf, may be granted.

From Surgeon J. SHORTT, M. D., Superintendent General of Vaccination, Madras Presidency, to the Secretary to the Inspector General, Indian Medical Department, Fort Saint George; dated Madras, 9th January 1869, No. 10.

I have the honor to bring to the notice of the Inspector General, Indian Medical Department, the difficulty I have in placing Vaccinators in the several Hill stations, although I have assigned to all such localities, 1st Class Vaccinators; two out of the three Vaccinators nominated to the Neilgherries have reported sick, and have been sent down to the plains on medical certificate "that the Hills were unsuited to their health." The Vaccinator placed on the Shervaroy Hills has, in like manner, reported sick, and came down; as there is no inducement for these men to remain at these places, and they find not only the cold severe, but provisions dear, they make the most of every trifling ailment and come down.

2. Under the circumstances, I would beg respectfully to suggest that the allowance of 5 Rupees a month granted to Native Medical Subordinates, as clothing money, be conceded to the Vaccinators employed at the following stations, as an inducement for them to remain and to provide themselves with warm clothing:—

Neilgherries.....	2	Vaccinators.
Shervaroys.....	1	do.
Pulney Hills.....	2	do.
Ammen Divi Islands.....	1	do.

No. 160. ORDER THEREON, 28th January 1869, No. 122.

The Governor in Council sanctions, as recommended by the Inspector General, Indian Medical Department, the monthly payment, from the 1st instant, of Rupees 5 to each of the Vaccinators employed at the following stations, for the purpose of providing themselves with warm clothing:—

Neilgherries.....	2	Vaccinators.
Shervaroys.....	1	do.
Pulney Hills...	2	do.
Ammen Divi Islands...	1	do.
