*Proceedings of the Madras Government, Public Department,
28th January 1869.*

No. 161. Read the following letter from the Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, to the Chief Secretary to Government, Fort Saint George; dated Camp Shemoga, 11th January 1869, No. 5386-31.

I have the honor to append, for the information of His Excellency the Governor in Council, copy of a docket from the Officiating Superintendent, Ashtagram Division, No. 4194-199, of the 4th instant, with its enclosures, and to solicit that the permission granted by the Madras Government* for the retention of Mr. Wellesley's services in Mysore till the 15th December 1868 may be extended to the 1st February 1869, to enable that officer to complete the work upon which he is now specially engaged.

* From the Chief Secretary to Government, Fort Saint George, dated 30th November 1868, No. 1468.

From the Officiating Superintendent, Ashtagram Division, to the Officiating Secretary to the Commissioner of Mysore, Bangalore; dated 4th January 1869, No. 4194-199.

In forwarding, herewith, for the Commissioner's information, copy of a letter from the Deputy Superintendent, Mysore, together with its enclosure, requests that application may be made for Mr. Wellesley's services till 1st February 1869.

From the Officiating Deputy Superintendent, Mysore District, to the Superintendent, Ashtagram Division; dated Camp Periapattam, 30th December 1868, No. 2428-1012.

I have the honor to annex copy of a letter, dated 24th December 1868, from Mr. Wellesley, Assistant Superintendent, requesting an extension of time, viz., from 15th December 1868 to 1st February 1869, to enable him to finish the compilation of the *Gazetteer* of this district, and with reference thereto I beg that his request may be complied with, as there can be no doubt but that Mr. Wellesley is now unencumbered with other work, acquiring a fund of information which will be really useful in the preparation of the *Gazetteer*, and which it would be a pity should be lost to the district by Mr. Wellesley being obliged to complete his work hurriedly.

2. It may be objected that I should have taken all these circumstances into consideration when first applying for the retention of Mr. Wellesley for this special work, but Mr. Wellesley at that time knew but little of the interior of the district, and only contemplated a less complete form of *Gazetteer*. Subsequently, however, by moving from place to place, he came to find that the *Gazetteer* could not be compiled in a hurry, but required certain special knowledge and acquaintance with facts.

3. If the extended period is granted to Mr. Wellesley, I confidently anticipate that his work will fully realize expectation.

From H. WELLESLEY, Esq., Assistant Superintendent, to the Deputy Superintendent, Mysore District; dated Camp Mulvully, 24th December 1868.

I have the honor to inform you that I require an extension of time, from the 15th December, to finish the *Gazetteer* of this district.

2. I much regret the delay, but I find after visiting the district that to gain even a superficial knowledge of the archæology and history of these parts takes a much longer time than I expected. I beg to name the 1st of February as the date on which the work will be finished.

No. 162. To the Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, dated Fort Saint George, 28th January 1869, No. 123.

In reply to your letter of the 11th instant, No. 5386-31, I am directed to inform you that this Government have no objection to the retention of Mr. Wellesley's services in Mysore until the 1st February 1869, or to a later date if the work on which he is engaged should not be completed by the end of the present month.

Chief Secretary.
