*Proceedings of the Madras Government, Public Department,
7th September 1869.*

No. 37. Read the following letter from Colonel C. A. DENISON, President of the Madras Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Madras, 3rd September 1869, No. 399.

With reference to Order of Government, No. 1023, of the 19th August 1868, wherein it was ruled that I should be allowed six weeks' privilege leave of absence in each year, I have the honour to request that this indulgence may be granted me from the 1st proximo. I would at the same time wish to ask whether I am considered to come under the rule which obliges an Uncovenanted Officer of the Government to serve eleven months previous to taking fresh leave, as in that case I shall gradually work my way into taking leave in the cold weather when change of climate is not so necessary, and, under the order before quoted, I am not allowed to accumulate privilege leave.

2. Last year Mr. Cardozo was appointed to officiate as President of the Municipal Commission during my absence; but, under the altered circumstances, I presume Government will appoint some Municipal Commissioner, and I make my application thus early in order to afford time for selection.

No. 38. ORDER THEREON, 7th September 1869, No. 1251.

The Government grant to Colonel C. Denison six weeks' privilege leave of absence, and resolve to appoint Major W. S. Drever, the Commissioner of Police, to officiate during Colonel Denison's absence as President of the Municipal Commission, Madras, without prejudice to his other duties.

2. With reference to the circumstances brought to notice in the first paragraph of Colonel Denison's letter, the Government will allow him next year to select the month in which he will take his leave on the understanding that he will only be allowed six weeks' leave during each calendar year.
