*Proceedings of the Madras Government, Public Department,
13th September 1869.*

No. 70. Read the following letter from the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 26th August 1869, No. 325.

With reference to the Proceedings of Government, Public Department, of date 30th July 1869, paragraph 21, and Order thereon, paragraph 19, I have the honour to state, for the information of Government, that the Hospital Assistant alluded to is not attached to the Head Assistant Collector, but stands posted to the medical charge of the Dispensary at Mayaveram. The subordinate only affords medical aid to the establishment, but does not quit the station or accompany the Head Assistant Collector on his tour. The wants of the town, therefore, are, in my opinion, adequately provided for.

G. O. C. C., 2nd July 1867.

2. With a view, however, to enhance the usefulness of the Dispensary, I propose to appoint another Hospital Assistant of a superior grade to the charge of the institution.

No. 71. ORDER THEREON, 13th September 1869, No. 1279.

The Government approve of the arrangements proposed in the letter above recorded for supplying superior medical attendance at the Mayaveram Dispensary.
