*Proceedings of the Madras Government, Public Department,
13th September 1869.*

Read the following papers :—

No. 72. From the Acting Collector of the Madras District, to the Chief Secretary to Government, Fort Saint George ; dated Sydapet, 26th August 1869, No. 198.

I have the honour to forward, for the information of Government, copy of a letter from S. Vijiaragavulu Chetty, Uncovenanted Assistant in the Government Office, requesting me to allow the Dresser attached to my establishment to make use of a building in Sydapet, which he proposes to lend, rent free, for the purpose, as a Dispensary for receiving out-patients. I have inspected the building, and, finding it suitable for the purpose, have directed the Dresser to keep his medicines there, and to attend daily at stated hours to administer medical aid to all who may apply for it. It is, of course, understood that the services of the Dresser for this duty will only be available so long as he is not required to attend the Collector and his establishment when on circuit, or to visit any part of the district where severe sickness may call for his presence.

From S. VIJIARAGAVULU CHETTY, to the Acting Collector of the Madras District ; dated Sydapet, 24th August 1869.

The poor inhabitants of Sydapet and its suburbs are sadly in want of proper medical treatment, and the attempt made in 1867 for the establishment of a Dispensary proved unsuccessful.

Vide Orders of Government, dated 25th October 1867, No. 3314.
Do. do. dated 28th November 1867, No. 3701.

2. The Medical Subordinate, T. Moonesawmy Chetty, now attached to your Department, lives in the town, and is very willing to render medical aid to the inhabitants, but I learn from him that he has no place where he can keep his medicines and receive patients. I am willing to place at his disposal, free of rent, a small building of mine for the purposes of a Dispensary for out-patients, and I beg that you will kindly permit him to use it as such. He will require a small sum of money for one menial servant and contingencies, and this I propose to raise by subscriptions.

Referred to the Inspector General of the Indian Medical Department for such remarks as he may wish to offer.

FORT SAINT GEORGE,
30th August 1869.

Chief Secretary.

No. 73. From the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 30th August 1869, No. 334.

With reference to the letter as per margin from the Collector of Madras, I have the honour to state that I do not consider the arrangements for the proposed Dispensary at Sydapet to be satisfactory. The absence of the Dresser on occasional tours of duty would interfere with the working of the institution. Owing to the demands for Medical Subordinates elsewhere, I am unable to spare one at present specially for the duty. Should, however, the inhabitants of Sydapet comply with the standing orders of Government in the provision of a suitable building, &c., for in and out-patients, a special medical attendant may hereafter be detailed for the charge.

The Government resolve to sanction the experiment, proposed in the letter of the Collector of Madras above recorded, being made for six months, at the end of which time the Collector will report the result as exhibited by the number of patients treated at Sydapet.
