I have the honour to forward copy of a letter, received from the Maharajah of Vizianagram, expressing his wish to present the sum of Rupees 10,000, for the erection of a ward for bed-ridden patients in the Monegar Choultry, and the endowment of a Fund to pay for two nurses for the ward.

2. I believe that the Maharajah has already communicated with you personally on this subject, and he is prepared to pay the money to Government, for the purpose stated, if the proposal meets with approval.

From His Highness the Maharajah of Vizianagram, to the Agent to the Governor of Fort Saint George in Vizagapatam; dated Vizianagram, 2nd September 1869, No. 12.

Being assured of the desirability, as well as that it would prove of great benefit to add a ward to the Monegar Choultry, for the use of bed-ridden patients, I propose, in accordance with the views I expressed to the Honourable Mr. Ellis on a former occasion, to devote the sum of Rupees 10,000 for building the said ward, and for the endowment of a small Fund wherewith to maintain two or three nurses. I further beg to add that, in the event of Rupees 10,000 proving insufficient for the purposes named, I am willing to make up the necessary deficit.

2. I have, therefore, to request that you will be pleased to notify to the Government my intention, and to solicit the favourable consideration of His Excellency the Governor to my proposal, and I beg you at the same time to inform the proper authorities, in order that steps may be taken for the remittance of the money, as well as for such preliminary arrangements as are needed for giving early effect to the project.
