*Proceedings of the Madras Government, Public Department,
17th September 1869.*

No. 105. Read the following letter from the President of the Municipal Commission, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 27th August 1869, No. 396-G.

Pursuant to Section 18 of the "Madras Municipal Act of 1867," I have the honour to forward, herewith, a Statement of receipts and disbursements on account of the Madras Municipality from the close of the last year up to the 30th of June last, together with the Minutes of the Proceedings of the General Meeting of the Municipal Commissioners held on the 31st ultimo.

2. The necessity for a bye-law for the suppression of the sale of meat, &c., at places other than licensed markets, would be superseded by Section 185 of the Madras Municipal Act, had the provisions of that section been more comprehensive than they are. A doubt has arisen as to whether the word "market," occurring in that section, includes single stalls used for the purpose in streets. Hence the necessity for the proposed bye-law which formed the fifth subject discussed, and was passed by the Commissioners at their Meeting, the Minutes of the Proceedings whereof are herewith sent, and I now forward a sketch of the law for the consideration and sanction of Government.

MEMORANDUM FOR A BYE-LAW.

No person shall sell, or cause to be sold, or expose or cause to be exposed for sale any mutton, beef, pork or other (butchers') meat or poultry, fish, or salt-fish, in any place other than markets licensed by the President of the Municipal Commission for the town of Madras, to be used for such sale.

No. 106. ORDER THEREON, 17th September 1869, No. 1303.

The Government approve of the bye-law proposed by the Municipal Commissioners, Madras, to prevent the sale of mutton, beef, &c., &c., in any place other than markets. The bye-law will be published in five issues of the *Fort Saint George Gazette*, and be then submitted for the confirmation of Government. The Tamil, Telugu, and Hindustani Translators to Government will, in the meantime, furnish translations of the bye-law.

2. The Statement of receipts and disbursements for the half-year ending 30th June 1869, and the Proceedings of the Municipal Commissioners, received with the letter above recorded, will also be published in the *Fort Saint George Gazette*.

3. The Meeting of the Municipal Commissioners having taken place on the 31st July last, a copy of their Proceedings on the occasion should have been submitted to Government at an earlier date for publication.

I have a doubt about this By-law. It is notorious I believe, that the number of stalls now occupied in the principal Madras market near

the Mysore...

The General Post-Office is left by many their before our Municipal act came into operation. The cause of the undervalued in the high rate demanded for the use of the stalls appearing their to be fact ought not the Govt. prior to sanctioning a rule w. will put down such at miscellaneous corners that here will be no heavy demand for stalls as in the market after they have had their own stalls. If low force trading stopped. If low force into a market. If low force or fast a day for a stall, when he daily profits were less than one Rupee or so. he will cease to hear a commission become a common coolie & man.

I would accept the Law. The Petter are interested in it doubly. 1. because better supervision can be exerted over the quality of provisions sold in the markets. 2 because the Municipality will derive a little revenue from the rents of the stalls which revenue is disbursed for the public benefit. I have a new market as I hope the vendors must be driven into it or no interest on the part of coming on the market. N. A.
