*Proceedings of the Madras Government, Public Department,
22nd September 1869.*

No. 133. Read the following letter from the Acting Magistrate of the Madras District, to the Chief Secretary to Government, Fort Saint George ; dated Sydapet, 15th September 1869, No. 214.

I have the honour to report that cholera made its appearance in the town of Sydapet and the village of Guindy on Saturday last, the date on which the detachment of Her Majesty's 45th passed through to Palaveram. There have been five fatal cases in Guindy out of some nineteen attacked ; twelve have recovered, and two were this morning still under the influence of the disease.

2. In Sydapet, seven cases have been reported, out of which two have proved fatal and one is still under treatment. No fresh cases were reported either yesterday or to-day.

3. The Dresser attached to my office has afforded medical aid to all cases which have come under his notice, and endeavours are being made by the Tahsildar, under the instructions of the Assistant Magistrate and myself, to cleanse the town and improve its sanitary condition as far as possible.

No. 134. ORDER THEREON, 22nd September 1869, No. 1324.

Communicated to the Sanitary Commissioner and to the Inspector General of the Indian Medical Department.
