Proceedings of the Madras Government, Public Department.
27th September 1869.

Read the following papers :—

No. 151. From W. MACKENZIE, Esq., M.D., Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 29th July 1869, No. 284.

I beg permission to bring to the notice of Government the enclosed popular Treatise on Cholera, in Canarese, by 2nd Dresser S. Arokum Pillay, of the Madras Medical Establishment, which has been sent to me by the Deputy Inspector General of Hospitals of the Indian Medical Department, Mysore and Ceded districts.

2. From perusal of an English translation furnished to me along with it, I believe that this little work, which reflects great credit on its Compiler, is calculated to be of great service in diffusing simple and useful medical knowledge among the natives; and I think the author is well-worthy of encouragement.

3. The Commissioner of Mysore has taken 200 copies of the book for circulation in the Mysore country; and I would beg respectfully to recommend to Government the purchase of 100 copies, for distribution in other Canarese-speaking districts under this Government.
