No. 12. From the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 21st September 1869, No. 358.

Referring to letter, No. 13, of 8th instant, from the Maharajah of Vizianagram, soliciting the loan of the services of two Hospital Assistants, I have the honour to state that the number of this class of subordinates at present falls far short of the sanctioned establishment, and that I am consequently unable to provide men, for the duties of our own hospitals, in the proper proportion.

2. Under these circumstances I regret that no Hospital Assistants can be spared for the Maharajah's Dispensaries.

3. I would beg to suggest that an effort might be made by the Maharajah to obtain *pensioned* Dressers to meet this temporary difficulty.
