No. 1382.

FROM

R. A. DALYELL, Esq.,
Acting Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to acknowledge the receipt of the Resolution of the Government of India noted in the margin, and referring to paragraph 2 thereof to state that immediately on the issue of the order of this Government sanctioning the terms of the proposed new contract with Messrs. Orr and Sons for the repair and winding of the Government Clocks, the contract with that Firm was duly drawn out and executed. It is thus a necessary preliminary to obtaining cheaper terms, that that Firm should surrender the contract, and this it has been ascertained they are willing to do, but only in consideration of a present payment of Rupees 1000.

2. This Government do not consider that it is by any means likely that a saving to this extent would be effected by the cancellation of the existing contract in the manner stated, and the substitution of one for repair only when necessary, as proposed by the Government of India. I am instructed to submit copy of the Proceedings of the Government marginally noted, and containing a list of the clocks which form the subject of the contract; whence it will appear that two turret clocks and several others of peculiar construction are included amongst them. The rates under the new contract are considerably lower than under the old; and with reference to the nature of the clocks, and the great distances between the offices in which they are placed, the terms do not appear to His Excellency the Governor in Council exorbitant. I am, therefore, to request that the objection to the charge may be withdrawn.

Old rate, per clock	...	...	Rs. A. P.
New rate, for 39 clocks	...	...	2 9 0
Do. 35 do.	...	...	2 13 8

3. Referring to paragraph 1 of the Resolution, I am instructed to explain that the extra allowance of Rupees 5 per mensem to Vaccinators on the Hills and other places mentioned was granted in consideration of the increased expense for clothing and cost of living, and not for the former only, as supposed by the Government of India.

4. Paragraph 3 of the Resolution will be separately replied to.

FORT SAINT GEORGE,
