2. I am desired to point out what would appear to be a typographical error in the copy of Dr. Bisio's letter addressed to the Accountant General at Madras on the 21st July last and appended to your letter under reference.

reference. It is there stated that Dr Bidie "remained in Coorg until the 28th February 1869," while it would seem that he left Merthara on the 21st to commence his enquiries in Mysore.

Sir,
With reference to the letter of the Chief Secretary to the Government of Madras N^o 1218 dated 31st ultimo referred by you to this office for attention. I have the honor to report for the information of the Chief Commissioner that the charges already paid from the Mysore Revenues are as per Margin, on account of Dr Bidie's investigations regarding the ravages of the Borer.

2. Dr Bidie appears to have left Merthara (Coorg) on 21st February

agreed by

agreeably to the terms of the Foreign Secretary's letter No 1941 dated 28th November 1867, it is further liable for the deputation allowance paid to the officers appointed to discharge Dr Bidie's duties as Superintendent of the Lunatic Asylum and Professor of Botany at Madras for the period that he was employed in Mysore.

3. I observe from the Statement enclosed in the letter of the Chief Secretary to the Government of Madras that the allowances granted to the officer who acted as Superintendent of the Lunatic Asylum, was at the rate of Rupees 125 per mensem, but no charge appears on account of an allowance for the Professorship of Botany. On the other hand Dr Bidie's allowance at Rupees 175 per mensem as Secretary to the Medical fund has been entered in the statement, but under the arrangement authorized by the Supreme Government in the Foreign Secretary's letter already quoted this charge does not appear to be defrayable by the Mysore State.

I have the honor to be
