*Proceedings of the Madras Government, Public Department,
2nd February 1869.*

No. 26. Read the following letter from the Collector of South Arcot, to the Chief Secretary to Government, Fort Saint George; dated Chengamah, 23rd January 1869, No. 3.

I beg to submit to Government the enclosed bill of expenses, incurred by the Sub-Collector on account of sanitary arrangements, for the recent feast at Chellumbrum, together with copy of his letter* reporting that all had passed off satisfactorily.

* Dated 19th January 1869, No. 13.

2. It was under my instructions that Mr. Hathaway restricted his measures, and brought them within a reasonable expenditure, and, I conceive, under ordinary circumstances, that the spirit of the Government late orders regarding feasts of the nature is all that is required to be carried out.

3. The precise amount, for which the special sanction of Government is now asked for, is Rupees 137-1-3.

From W. F. HATHAWAY, Esq., Sub-Collector of South Arcot, to the Collector of South Arcot ; dated Virdachellum, 19th January 1869, No. 13.

I have the honor to enclose account of expenditure at the Chellumbrum feast, and I am happy to add that it passed off successfully, and that the usual outburst of cholera has again not made its appearance.

2. Besides the balance of 112 Rupees I also return the order for 1000 Rupees, received with letter, No. 917, of the 4th ultimo, as, on the strength of your interpretation of the Government Order, I did not endeavour to provide huts for the multitude. I did not apply for the money, or suggest the reference because I personally thought the expenditure necessary, but merely because the wording "to be strictly enforced" did not make it clear whether I had any option in the matter, or power of using my own discretion. The Trinomaly feast that you refer to scarcely was a case in point, as it occurred before the Government rules were promulgated, so that no one would think that there was any necessity of observing them before they were published.

3. While on the subject I may add that a small feast will take place here next month, but that, as the numbers will not be large, 20 Rupees will be sufficient for cleaning the streets, and I, therefore, request that it may be sent.
