*Proceedings of the Madras Government, Public Department,  
1st November 1869.*

No. 7. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 18th October 1869, No. 1194.

*Examiner of Claims' Department.]*

I have the honour to forward, for the information of Government, a copy of the correspondence which has passed between this Office and the Supreme Government in the matter of the fifty-five years' limit of service affecting Consular Agents in this Presidency.

From the Officiating Accountant-General, to the Financial Secretary to the Government of India, dated Fort Saint George, 9th September 1869, No. 1028.

I have the honour to inquire whether the Consular Agents in this Presidency, who are paid from Emigration Fee Fund, French Colonies, are to be brought under the operation of the rule fixing the age of fifty-five years as the limit of service.

2. They are gazetted Officers ; but as I am not aware that service as Consular Agents qualified for pension, I am doubtful whether they are liable to be superannuated under the Orders applicable to other Government servants.

From the Under Secretary to the Government of India, Financial Department, to the Officiating Accountant-General, Madras, dated Simla, 6th October 1869, No. 3913.

In reply to your letter, No. 1028, dated the 9th September 1869, I am directed to state that there appears to be no sufficient reason to exempt Consular Agents in Madras from the rule fixing the age of fifty-five years as the limit of service. That rule had no reference to pensions, but to the presumed inefficiency of Officers after attaining a certain age.

No. 8. ORDER THEREON, 1st November 1869, No. 1490.

The letter from the Under Secretary to the Government of India, dated 6th October 1869, No. 3913, will be published in the *Fort Saint George Gazette*.
