*Proceedings of the Madras Government, Public Department,
2nd November 1869.*

No. 16. Read the following letter from the Collector of South Arcot, to the Chief Secretary to Government, Fort Saint George, dated Cuddalore, 7th October 1869, No. 58.

I submit to Government copy of a letter, addressed to me by Native Surgeon J. R. Ignatius, making over, unconditionally, all his right and title to the building known as the Cuddalore Old Town Branch Dispensary.

2. In the Government Proceedings, Public Department, of 2nd July 1867, No. 764, is recorded a letter from the Native Surgeon putting forth his claim to the said building, and urging its recognition on the part of Government. This was when it was supposed the institution was about to close, and the building would be no longer required. But as it is now likely to be permanent, Dr. Ignatius waives any pecuniary claim he may have against the building. I am not aware of the precise nature of that claim, though the amount is stated by the Native Surgeon, and as undoubtedly he was the prime mover and contributor to the Dispensary building, I am sure Government will appreciate his philanthropy and public spirit in relinquishing all claims in favour of the Government whose exclusive property it will henceforth be; and I propose taking from Dr. Ignatius a formal Deed of Transfer of the building in the name of Government, and to register the same for deposit in my office.

From Native Surgeon J. R. IGNATIUS, to the Collector and Magistrate of South Arcot, dated Cuddalore, 2nd October 1869, No. 10.

With reference to my letter, No. 18, dated the 11th May 1867, I respectfully beg to submit, for your approval and communication to Government, this my free-will and intention to forego and relinquish, unconditionally, all my monetary claims (Rupees 1233) on the building of the old Dispensary, Cuddalore, in favour of the Government from this date.

No. 17. ORDER THEREON, 2nd November 1869, No. 1497.

The Governor in Council appreciates the motive which prompted Native Surgeon Ignatius to relinquish his right and title to the building at Cuddalore occupied as a Branch Dispensary, and approves of the course proposed to be taken by the Collector for the formal transfer of the property to Government.
