*Proceedings of the Madras Government, Public Department,
8th November 1869.*

Read the following papers :—

No. 58. From the Acting Magistrate of the Madras district, to the Chief Secretary to Government, Fort Saint George, dated Saidapet, 29th October 1869, No. 246.

I have the honour to state, for the information of Government, that cholera is reported to prevail at Conjeveram, and that out of thirty-one attacked, sixteen have died since the 16th instant.

2. Mr. Chadwick, the Apothecary who is stationed there, has furnished the Municipal Commissioners with suggestive instructions to check the spread of cholera, and I have advised the Vice-President to adopt them forthwith.

3. I would suggest that an Hospital Assistant should be sent to assist Mr. Chadwick, if any one of that class is available.

—

Referred to the Inspector-General of the Indian Medical Department.

(Signed) R. S. ELLIS,
Chief Secretary.

—

No. 59. From the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 1st November 1869, No. 393.

In returning the enclosed letter from the Acting Magistrate of the Madras district, reporting the prevalence of cholera at Conjeveram, I have the honour to state that an Hospital Assistant has, this day, been despatched to that place, in addition to one sent, on the 21st ultimo, by the Deputy Inspector-General of the Division.

—

No. 60. ORDER THEREON, 8th November 1869, No. 1529.

The letter above recorded from the Inspector-General of the Indian Medical Department will be communicated to the Acting Magistrate of the Madras district.

(True Extract.)

Chief Secretary.

To the Acting Magistrate of the Madras district.
