Sir,

I have the honor to request that you will kindly inform me, whether, in the event of the Bangalore Widows & Orphans' Fund being thrown open to other classes of Europeans, the East Indians, Government would at once withdraw their annual grant of Rs. 200.

The members of the Fund are anxious to enlarge its basis, in order to make it if possible self-supporting, but they are afraid to do this unless assured that the Fund would not then be deprived of Government aid, until such time as it could safely be dispensed with.

general appearance measure such as is now con-

4. If the Fund be
thrown open as proposed,
it can no longer be re-
-cognized as the one for

is very problematical.

5. In the interest of
the Widows and Orphans'
Fund it does not seem
advisable that it should
be thrown open to the
public in general.
