Proceedings of the Madras Government, Public Department,
• *15th November 1869.*

Read the following papers:—

No. 95. From the President of the Municipal Commission, Godavery District, to the Chief Secretary to Government, Fort Saint George, dated Cocanada, 19th August 1869, No. 204.

The Vice-President of the Rajahmundry Municipality states that the Commissioners are of opinion that the boundaries of that Municipality should be modified as shown in the enclosed Notification. He also states that he has consulted the Superintendent of Police on the subject, and that no increase is required to the Police Force for the proposed change. I have, therefore, the honour to request sanction for the alteration in the necessity for which I concur.

No. 96. From the President of the Municipal Commission, Godavery District, to the Chief Secretary to Government, Fort Saint George, dated Cocanada, 19th October 1869, No. 269.

With reference to the Government Official Memorandum, dated 27th August 1869, No. 374, requiring me to state the grounds on which it is considered necessary to modify the limits of the Rajahmundry Municipality, I have the honour to report, as informed me by the Vice-President, that the present limits are irregular and difficult of identification; that plots of ground at present excluded are used as public latrines by the inhabitants, and are in consequence offensive and detrimental to the public health; that the water of the Kambala tank is very extensively used by the inhabitants; and that the tank itself should, therefore, receive a share of Municipal supervision with a view to the sanitary welfare of the people; and, lastly, that the toll-gate erected on Trunk Road No. 6 is beyond the limits, and the legality of exacting fees thereat consequently questionable.

2. For the above reasons, I trust the Government will sanction the proposed change.

No. 97. ORDER THEREON, 15th November 1869, No. 1560.

Under the circumstances represented in the second of the letters above recorded, the Governor in Council authorizes the proposed extension of the limits of the Rajahmundry Municipality, and directs the publication in the *Fort Saint George Gazette* of a Notification describing the altered boundaries.

NOTIFICATION.

In modification of paragraph 1 of the Notification, dated the 4th October 1866, and in accordance with the provisions of Section 4 of the Madras Towns' Improvement Act No. X. of 1865, the Governor of Fort Saint George in Council hereby declares that the boundaries of the town of Rajahmundry in the Godavery District shall, for the purposes of the said Act, be constituted as follows:—

West.—The Godavery river.

Proceedings of the Madras Government, Public Department,
15th November 1869.

North.—A line drawn from the river at a point 250 yards north of the old rampart extending behind the native huts to the toll-gate on the Kantair road, thence so as to include Cumbala Cheruvu to the toll-gate on the great high road.

East.—A line drawn from the above point extending behind the house occupied by Captain Taylor including the new burial-ground to the Nagula Cheruvu, and thence along a road to the Tinumsetti Gunta.

South.—A line drawn from the above point to the river.

(By order of His Excellency in the Governor in Council.)

Chief Secretary.
