Proceedings of the Madras Government, Public Department.
17th November 1869.

No. 107. Read the following letter from the Coroner of Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 5th November 1869, No. 26.

I have the honour to report, for the information of His Excellency the Right Honourable the Governor in Council, that at an inquest held before me at Mr. Glaway's house at Pareanunda Moodelly's street at Big Parcharee in the Black Town, within the limits of Madras, on the 3rd November instant, touching the death of Marce, the jury, after returning as their verdict "Accidental death by drowning in a well," made the following presentment :—"The jury beg the Coroner to bring the state of this well to the notice of Government. The well had a parapet two feet high, and was without any grating. They most respectfully suggest that gratings at the tops of wells with openings sufficient to permit the passage of vessels would prevent many accidents such as the present from occurring."

No. 108. ORDER THEREON, 17th November 1869, No. 1574.

Communicated to the President of the Madras Municipal Commission, with reference to Section 184, Act IX. of 1867.
