*Proceedings of the Madras Government, Public Department,
4th February 1869.*

No. 40. Read the following letter from the Superintendent General of Vaccination, Madras Presidency, to the Secretary to the Inspector General, Indian Medical Department, Fort Saint George ; dated Madras, 18th January 1869, No. 139.

I have the honor, in submitting the enclosed letter, in original, from the Government Solicitor, for the perusal of the Inspector General, Indian Medical Department, to draw attention to paragraph 3 of the above communication.

2. The Government were pleased to sanction the necessary Agreement being taken from Superintendents and Vaccinators of this Department in their Proceedings, dated 17th December 1868, No. 1550, Public Department, but they do not authorize me to execute the Agreements in question on behalf of the Government; and as it is necessary this point should be definitely stated, so as to alter the concluding paragraph of the Draft Agreement ere it is printed, I beg to request that the Inspector General may be pleased to have this point definitely settled, as to who should undertake the execution of the Agreements on behalf of the Government.

From the Government Solicitor, Madras, to the Superintendent General of Vaccination, Madras ; dated Madras, 15th January 1869, No. 19.

I have the honor to return, herewith, the draft form of the Agreement to be executed by Superintendents in the Vaccination Department, which has been approved by the Government in their Proceedings noted in the margin, and which accompanied your letter to my address, dated the 4th January 1869, No. 8.

2. I have, in pursuance of the request contained in your letter above referred to, struck out the paragraphs marked by you in pages 5, 6, and 7 of the Draft Agreement. I have the honor, however, to observe that there is nothing in the Proceedings of the Government above noted, which indicates that those paragraphs, or at any rate the paragraphs marked by you in pages 5 and 7 of the draft, should be struck out ; and I know of no circumstances that render it necessary or desirable to strike them out.

3. I have further the honor to observe that the Proceedings of the Government above noted do not authorize you to execute the Agreements in question on behalf of the Government. On this point, I would call your attention to the concluding part of paragraph 2 of my letter to your address, dated the 28th August 1868, No. 483, and to paragraph 5 of my letter to your address, dated the 30th September 1868, No. 571. If it is not intended that you shall execute, on behalf of the Secretary of State, the Agreement with Superintendents in your Department, the concluding part of the Draft Agreement herewith sent (see page 9) will require alteration.

4. The instructions contained in paragraph 3 of your letter now under acknowledgment will receive attention.

5. In sending me proofs of the draft form of Agreement herewith sent, I have the honor to request that you will also return me the draft itself.
