No. 133. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 27th October 1869, No. 227.

Post Audit Department.]

With reference to the Notification published at page 419 of the *Fort Saint George Gazette*, dated 28th September 1869, authorizing rice money to be paid to Hospital Assistants, I have the honour to inquire whether the above Notification is applicable to Hospital Assistants doing duty in the Civil Department also.

Resolved that copies of the Proceedings of Government in the Military Department, dated the 20th January last, No. 275, and 9th September, No. 3199, upon which the Notification dated the 28th September was based, be furnished to the Accountant-General; and that he be informed that Hospital Assistants employed in the Civil Department are entitled, in common with members of the same grade serving in the Military Department, to compensation for dearness of food.

*Proceedings of the Madras Government, Military Department,
20th January 1869.*

Read the following papers :—

No. 531. From the Controller of Military Accounts, to the Secretary to Government, Mily. Dept.; dated Fort Saint George, 6th January 1869, D.

I have the honor to forward, for submission to Government, a letter from the Pay Examiner, dated 21st December 1868, No. 2732, with enclosure, regarding the claim of Hospital Assistants to compensation for dearness of rice.

2. The claim has been objected to by the Examiner, on the ground that the pay of Hospital Assistants "is consolidated;" but, from copy of a letter from the Pay Examiner, Calcutta, it appears

that in Bengal, compensation for dearness of food, drawn hitherto by Native Doctors, continues to be passed to Hospital Assistants.

3. As, however, all previous rules are virtually superseded by the G. G. O. No. 550 of 1868, and it is not known whether the action of the Pay Department at Calcutta is sanctioned by higher authority, I would beg to suggest a reference to the Government of India.

From the Pay Examiner, to the Controller of Military Accounts; dated Fort Saint George, 21st December 1868, No. 2,732.

Objection having been taken by this Department to compensation for dearness of rice drawn for certain Hospital Assistants attached to the Department of the Deputy Inspector General, Hyderabad Subsidiary Force, on the ground that the rates of pay fixed for this grade are consolidated, I have the honor to forward copy of a letter from the Examiner Pay Department, Calcutta, received with the reply of Deputy Inspector General of Hospitals E. Balfour, from which it appears that in Bengal compensation for dearness of food, admissible under previous Regulations to Native Doctors, continues to be passed to the Hospital Assistant class, substituted for that grade. Should this course have been duly authorised, compensation for dearness of rice would also be admissible to Hospital Assistants in this Presidency, under the Regulation granting the allowance to Native Dressers. As, however, it is not known whether the action of the Pay Examiner at Calcutta is in accordance with instructions from higher authority, or adopted on his own responsibility, I have considered it necessary to refer the question.

2. Since the receipt of Dr. Balfour's reply, an appeal against the disallowance in another case has been received in this office.

Letter No. 99, dated 10th August 1868, from the Examiner Pay Department, Calcutta, to the Deputy Inspector General of Hospitals, Hyderabad Subsidiary Force, and Hyderabad Contingent.

In reply to your letter No. 657, dated 17th July 1868, I have the honor to refer you to the Government General Orders as per margin,* for the rules under which compensation, not in lieu of rice, but for dearness of provisions (which it is presumed is alluded to by you), is issued to the Hospital Assistant class (late Native Doctors, Medical Department in the Bengal Presidency.
