No. 185. To the Secretary to the Government of India, Home Department, (Public), dated Fort Saint George, 30th November 1869, No. 1637.

With reference to the Despatch from the Secretary of State for India, of which a copy was furnished with Mr. Under Secretary Geoghegan's endorsement of the 14th April 1869, No. 1702, requiring the insertion of a clause in Charter Parties, which shall make the rules in force on board French vessels, modified to suit the circumstances, binding on the Commanders of British vessels taken up for the French Emigration Service, I am directed to forward the accompanying copies of Proceedings of this Government on the subject.

Dated 16th July 1869, Nos. 107 & 108.
„ 19th Nov. „ „ 119 to 121.

2. It will be seen that, to meet the difficulties represented in the letter from the Protector of Emigrants, dated 3rd June last, two different sets of rules are required to provide for the cases where the Surgeons whether English or French on board English vessels, hired by the French Administrations for the transport of emigrants, may be Commissioned Officers or medical men not holding Commissions. These rules are embodied in the Proceedings, dated 19th instant, Nos. 119 to 121.
