TELLICHERRY,
8th October 1868.

(Signed) F. HOLE, Lieutenant,
Asst. Supt. of Police, North Malabar.

No. 51. ORDER THEREON, 5th February 1869, No. 164.

The President of the Tellicherry Municipal Commission submits with his letter above recorded, the estimates of the probable receipts and disbursements in that Municipality for the year ending the 30th April 1870.

2. It appears from the estimate of receipts (C) that the Commissioners propose to raise by the levy of the taxes, &c., described in the margin, Rs. 9107-4-10, of which Rupees 1000 are "arrears," and Rupees 8107-4-10, "current." Adding to these the probable balance (Rs. 1000) on the 30th April next, and the Government contribution, (Rupees 3369-1-7,) the Commissioners will have at their disposal Rupees 13,476-6-5, which falls short of the estimated receipts, for 1868-69, by Rupees 7027-5-0.

3. The expenditure to be incurred in 1869-70 has been arranged in accordance with the receipts. The amount (Rs. 750) set apart for new works is very small. It is less than the estimate for 1868-69 by Rupees 2105. On the other hand the allotment for repair exceeds the current year's estimate by Rupees 3239, and that for conservancy is greater by Rupees 516. The Government are of opinion that the conservancy of a large Town like Tellicherry cannot be efficiently carried out with the small establishment of ten sweepers and eight scavengers. It is an important element in conservancy arrangements that there should be ample means for carrying away, from the habitations of the residents, refuse and filth of every description.

*Proceedings of the Madras Government, Public Department,
5th February 1869.*

To do this effectually, carts and trollies must be employed, and the President will, in consultation with the Commissioners, take into consideration the expediency of providing an adequate establishment of men and carts.

4. The Government approve and sanction the estimate of receipts and disbursements for the Tellicherry Municipality for the year 1869-70, and authorize the publication in the *Gazette* of the Notification of the taxes to be levied, and the list of the Municipal Commissioners.

NOTIFICATION.

Under the provisions of Section 36, Act X. of 1865, (the Towns' Improvement Act,) the Governor in Council authorizes the Municipal Commissioners for the Town of Tellicherry, in the Malabar District, to levy during the year beginning 1st May 1869, and ending 30th April 1870—

A rate on houses, buildings, and lands, according to the annual value thereof.
A tax upon arts, professions, trades, and callings.

Taxes on carriages, horses, and other animals as described in Schedule C. to the above Act annexed.
Fees on the registration of carts.

Under the provisions of Section 6, Act X. of 1865, (the Towns' Improvement Act,) the Governor in Council hereby appoints the undermentioned persons to be Town Commissioners, for carrying out in the Town of Tellicherry, in the Malabar District, the purposes of the said Act, during the year beginning 1st May 1869, and ending 30th April 1870.
