*Proceedings of the Madras Government, Public Department,
2nd December 1869.*

No. 8. Read the following letter from Colonel G. H. SAXTON, Deputy Superintendent, No. 3, Topographical Survey Party, to the Chief Secretary to Government, Fort Saint George, dated Coonoor, 25th November 1869, No. 5-A.

I have the honour to request that, whilst on duty on the Neilgherries in April next, and at any subsequent period, whilst employed on the revision of the late Colonel Ouchterlony's survey, I may be permitted to indent on the Arsenal Stores at Wellington, for tents to the extent of one Serjeant's tent, and four Soldiers' tents, whenever I may require more than the limited amount of camp equipage I shall bring up with me. If Commissariat carriage is kept up at Wellington, and can be spared, it would be convenience and economy, if carriage also could be authorized, but if necessary to hire it for the occasion, I would obtain it myself.

2. I shall be obliged by your addressing a reply to this to care of Post Office, Vizianagram.

No. 9. ORDER THEREON, 2nd December 1869, No. 1653.

The foregoing letter will be communicated to His Excellency the Commander-in-Chief (Quartermaster-General's Department) in view to the tents being supplied, if available.

2. Colonel Saxton's application for Commissariat carriage will be forwarded to the Military Department for the issue of the necessary orders.
