Proceedings of the Madras Government, Public Department,

No. 52. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 6th December 1869, No. 282.

Post Audit Department.]

With reference to G. O., No. 1590, dated the 20th November 1869, sanctioning compensation for dearness of food to Hospital Assistants employed in the Civil Department, I have the honour to inquire how and from what source the charge is to be met, as there appears to be no provision made in the Civil Budget for 1869-70 on that account.

No. 53. ORDER THEREON, 13th December 1869, No. 1704.

It is observed that the Order of Government, adverted to in the foregoing letter, was passed on a reference made by the Accountant-General; but if funds are not available in the current year to meet compensation to Hospital Assistants for dearness of food, effect must be given to the Order prospectively from the 1st April 1870, and due provision made for the same by the Accountant-General in the Budget Estimate for 1870-71.
