Proceedings of the Madras Government, Public Department,
15th December 1869.

Read again letter from the Inspector-General of the Indian Medical Department, dated 12th August 1869, No. 301, and recorded in Proceedings of Government, dated 30th August 1869, No. 1207.

No. 75. Read also the following letter from the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 18th November 1869, No. 407.

With advertence to my letter, No. 301, of the 12th August 1869, and the Order of Government, dated 30th August 1869, No. 1207, Public Department, I have the honour to report that the Superintendent of the Lunatic Asylum finds the new "Diet Table," recently introduced, much less acceptable to the inmates than the old one for which it was substituted.

2. The old table, from its simple and comparatively inexpensive character, admitted of the fancies and caprices of the lunatics being gratified by a free use of "extras," in addition to the ordinary food, and was nevertheless considerably less costly on the whole than that now in use, under which the issue of "extras" must necessarily be extremely restricted.

3. On these grounds the Superintendent requests permission to revert to the old scale specified in the Asylum Rules; and I have the honour to solicit the sanction of Government to this arrangement.

No. 76. ORDER THEREON, 15th December 1869, No. 1717.

Under the circumstances stated in the foregoing letter, the Government sanction the "Diet Table" for European and East Indian patients, embodied in the Rules for the superintendence and management of Lunatic Asylums in the Presidency of Madras, being reverted to, and cancel their order of the 30th August last, No. 1207.
