*Proceedings of the Madras Government, Public Department,
21st December 1869.*

No. 124. Read the following letter from the Acting Secretary to the Government of Bombay, to the Acting First Assistant Collector, Belgaum, dated Bombay, 4th December 1869.

In consequence of the great number of Junior Civilians at present in active employment in this Presidency, all occasion for the services of an officer from another Presidency has ceased.

2. It is contemplated, therefore, to apply to the Madras Government for your re-transfer from Bombay, but before any active steps are taken in the matter, I am desired to give you warning that you may apply betimes to your own Government for suitable employment.

3. On learning from you that you have obtained an appointment in your own Presidency, the necessary official communication will be made to the Madras Government.

4. I may add that His Excellency in Council fully recognises your services while you have been employed in this Presidency, and regrets to be compelled to take the present step.
