No. 148. ORDER THEREON, 31st December 1869, No. 1772.

The Governor in Council approves and sanctions the proposed Bye-law No. 29 for the Municipality of Ootacamund, and directs its publication for a period of one month in the *Neilgherry District Gazette*.

2. He resolves, however, to refer the Bye-law No. 30 back to the Municipal Commissioners with an intimation that, while he approves its principle, he is of opinion that, for a uniform charge on all measures, the proposed fee of four annas for stamping is too high, and would probably exceed the prime cost of many of the smaller ones. He would suggest that a graduated scale of fees for stamping measures of different sizes should be adopted, and that the amounts should be fixed so as approximately to cover the cost of the establishment necessary to be maintained, and no more. A copy of the Miscellaneous Circular of the Board of Revenue, No. 4838, dated 6th September 1861, in which such a scale is provided, will be furnished for the information of the Municipal Commissioners.
