*Proceedings of the Madras Government, Public Department,
11th February 1869.*

No. 93. Read the following letter from the President of the Municipal Commission, Malabar, to the Chief Secretary to Government, Fort Saint George ; dated Calicut, 2nd February 1869, No. 8.

In submitting the enclosed letter from the Civil Surgeon of Tellicherry, communicating his resignation of the office of Municipal Commissioner of that place, I have the honor to request instructions whether Government desire that such like resignations as they occur should be reported or not?

2. I would take this opportunity of suggesting that, when the Towns' Improvement Act is revised, it should be provided that the Civil Surgeon at any Station where there is one, should be an ex-Officio Commissioner if the Act is brought into operation at such station. One important object of the Act is to provide for sanitation ; it may reasonably be expected from the Government Medical Officer that he should be able and willing to give very valuable aid in carrying out the objects of good government in a Municipality ; generally, as far as my experience goes, this aid is cheerfully given ; but if the Civil Surgeon was an ex-Officio Member under the Act, there would be less room to doubt, or dispute, the wishes of Government on the subject.

From Surgeon J. E. DICKINSON, M. D., Civil Surgeon of Tellicherry, to the Vice-President of the Tellicherry Municipality ; dated 28th January 1869.

I have the honor to request that you will be good enough to forward this my resignation of office as a Municipal Commissioner for Tellicherry ; and that, pending confirmation, you will be good enough to relieve me from the duties I am anxious to resign.

Forwarded to the President for disposal.

CANNANORE,
30th January 1869.

(Signed) W. LOGAN,
Vice-President.

No. 94. ORDER THEREON, 11th February 1869, No. 186.

The Government remark, with reference to the foregoing correspondence, that they consider it essentially necessary that at all Civil Stations the Civil Surgeon should be a Member of the Municipal Commission. The Collector of Malabar will communicate this opinion to Dr. Dickinson, and give him an opportunity of withdrawing his resignation of his appointment as a Member of the Tellicherry Municipality.
