*Proceedings of the Madras Government, Public Department,
11th February 1869.*

No. 97. Read the following letter from the Magistrate of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 5th February 1869, No. 4.

In annexing transcript of a letter to my address from my Head Assistant Magistrate, I have the honor to request the sanction of Government for the expenditure of Rupees 1700, viz., Rupees 850, as per estimate enclosed for improving water supply, constructing latrine, and other conservancy during the Car festival at Caramaday and a like sum for similar purposes at Paroor, on the 24th February and 24th March, respectively.

From the Acting Head Assistant Collector of Coimbatore, to the Collector of Coimbatore; dated Coimbatore, 3rd February 1869, No. 39.

Adverting to paragraph 3 of Government Order, dated 15th December 1868, No. 1533A, I have the honor to forward two estimates, prepared by the Tahsildar of Coimbatore, showing the expenditure which it will be necessary to incur in order to make suitable arrangements on the occasion of the Car feasts at Paroor and Caramaday.

Paroor, 24th March 1869.
Karamaday, 26th February 1869.

2. The chief item in each estimate is a sum of Rupees 400, for the deepening of wells at both places, as drinking water is scarce; it will not be necessary to incur any expenditure for this purpose on future occasions, and the outlay will be of permanent service to the villagers, as it will secure for them a plentiful supply of drinking water all the year round. The remaining items are for the construction of latrines and pay of toties, together with Rupees 100 for the construction of sheds to afford shelter to the people. I have myself visited Paroor in company with the Tahsildar, and satisfied myself that the sanitary precautions recommended are sufficient, and that the estimated outlay is necessary. I request that you will obtain the sanction of Government.
