*Proceedings of the Madras Government, Public Department,
18th February 1869.*

No. 164. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 2nd Division, to the Chief Secretary to Government, Fort Saint George ; dated Tungutur, 27th January 1869, No. 318.

I have the honor to request that you will inform me as to the correctness of a claim made on me by the Municipal Commissioners of Masulipatam for License tax.

2. Till August 1868 my predecessor lived in Masulipatam and paid as a President ; but acting on Order of Government, No. 1329, dated 30th April 1868, Public Works Department, he removed his head-quarters to Bazorah, where they now are.

3. As I foresaw that I should be away from home on duty for a very considerable period, and there were many inconveniences, (which I need not enter into,) for a lady living alone at Bazorah, I rented a house for Mrs. Moberly in Masulipatam. On the strength of this a charge for license tax has been sent to me.

4. I protested that no clause of the Act could apply, but I am informed that a majority of the Commissioners have voted against me, and that there is no appeal. This correspondence took place during the Christmas holidays, the only time in three months that I have spent in Masulipatam. I have heard nothing further, but am afraid lest any warrant be issued, and my wife inconvenienced in my absence, which is likely to be for two and half or three months more.
