Proceedings of the Madras Government, Public Department,
18th February 1869.

No. 169.

ORDER THEREON, 18th February 1869, No. 224.

With the letter above recorded, the President of the Municipalities in Malabar submits the estimates of receipts and disbursements of the Municipalities of Cannanore, Cochin, and Palghaut, for the year ending the 30th April 1870.

2. The estimates of the *Cannanore Municipality* show that the Commissioners propose to raise by the taxes, &c., described in the margin, Rupees 6470-2-10, which, with the Government contribution of Rupees 1687-13-11, places at their disposal Rupees 8158-0-9 for expenditure under the following heads:—

	RS.	A.	P.
Rate on houses, buildings, &c.....	4,447	2	10
Tax on arts, trades, &c.....	161	0	0
Tax on carriages and animals.....	1,743	0	0
Registration of carts, &c.....	59	0	0
Fines and other receipts.....	60	0	0
Total.....	6,470	2	10

	RS.	A.	P.

Police.....	1,225	7	10
Establishment.....	978	0	0
Reserve.....	1,406	8	11
Total..	8,158	0	9

3. It is observed that the operations of the Commissioners are to be confined to the town of Cannanore, outside the Karar limits. Notwithstanding this, the Government think that two carts are wholly insufficient to carry away the sweepings and filth of the town. The provision of four sweepers is also insufficient.

	RS.	A.	P.
* Rate on houses, buildings, &c.....	4,404	4	9
Tax on arts, trades, &c.....	3,188	0	0
Tax on carriages and animals.....	92	0	0
Registration of carts and vehicles.....	45	0	0
Fees for licensing slaughter-houses, cart stands, &c.....	50	0	0
Fines and other receipts.....	100	0	0
Proceeds of the Calvetty Fish Market.....	250	0	0
Total.....	8,129	4	9

4. In the *Cochin Municipality* the amount* to be raised slightly exceeds the estimated receipts for the current year. It is expected that the proceeds of the Vypeen Ferry Farm will fetch in an additional sum of Rupees 1000, which, with the Government contribution of Rupees 2816-6-11, (not Rupees 2566-6-11,) will place at the command of the Commissioners, irrespective of the balance which is likely to occur, a sum of Rs. 11,945-11-8.

For purposes other than those specified in Section 25.....	430	0	0
Total.....	11,695	11	8

5. The aggregate expenditure is estimated at Rs. 11,695-11-8,† of which Rupees 430 are for purposes other than those indicated in Section 25 of the Towns' Improvement Act. From the particulars of the charges under the head of "Conservancy," the Government learn that the Commissioners propose to provide two carts at an outlay of Rupees 100. If the carts are intended for the removal of the daily sweepings, &c., of the town, provi-

Under the provisions of Section 6, Act X. of 1865, (the Towns' Improvement Act,) the Governor in Council hereby appoints the undermentioned persons to be Town Commissioners for carrying out in the town of Palghaut, in the Malabar District, the purposes of the said Act, during the year beginning 1st May 1869 and ending 30th April 1870—

(Here enter 30th Jan/69 No 6)

Order thereon 18 February 1869 No 224.

With the letter
above recorded the
President of the Municipalities
in Malabar submits the
Estimates of Receipts
and Disbursement of
the Municipalities of
Cannanore, Cochin, &
Pulicat, for the year
ending the 30th Sept 1870.

2. The estimates of
the Cannanore Municipality
show that the
Commission propose
to raise by the taxes
etc, described in the
margin.

Wm
A. P.

margin Rs 6470-2-10, which
with the Government
Contribution of Rs 1087-13-11,
places at their disposal
Rs 8158-11-9 for expendi-
ture under the following
heads:-

New works & improvements	1980-000
Repairs	700-000
Conservancy	1868-000
Police	1225-7-10
Establishment	978-000
Reserve	1406-8-4
	<u>8158-11-9</u>

It is observed
that the operations of
the Commissioners
are to be confined to the
Town of Cannanore,
outside the Karar
limits. Notwithstanding
this, the Government
think that two carts
are wholly inefficient
to carry away the
sweepings & filth of
the Town. The provision

Rate on houses & buildings	2-4447-2-10
Tax on arts, trades, &c.	161-000
Tax on carriages & animals	1743-000
Registration of carts, &c.	59-000
Fines & other receipts	60-000
	<u>6470-2-10</u>

of four sweepers is also
insufficient.

Rate on houses, buildings &c.	4404-4-9
Tax on arts, trades, &c.	3188-000
Tax on carriages & animals	92-000
Registration of carts & vehicles	45-000
Fees for licensing slaughter	
houses cart stands, &c.	50-000
Fines & other receipts	100-000
Proceeds of the Calcutty fish market	250-000
	<u>8124-4-9</u>

In the Cochin
Municipality the amount
to be raised slightly
exceeds the estimated
receipts for the current
year. It is expected
that the proceeds of the
Vypeen Ferry Farm
will fetch in an addi-
tional ^{sum of} Rs 4000, which,
with the Government
Contribution of Rs 2816-6-11,
(not Rs 2566-6-11) will

New works & improvements	1250-000
Repairs	2400-000
Conservancy	1759-4-6
Police	4012-7-2
Establishment	1844-000
For purposes other than those specified in Section 25	430-000
	<u>11695-11-8</u>

place at the command
of the Commissioners,
irrespective of the balance
which is likely to occur,
a sum of Rs 11,695-11-8.

The aggregate
expenditure is estimated
at Rs 11,695-11-8, of which
Rs 430 are for purposes
other than those indicated
in Section 25 of the Comm.
Improvements

Improvement Act. From the particulars of the charges under the head of "Conservancy," the Government learn that the Commissioners propose to provide two Carts at an outlay of Rs 100. If the Carts are intended for the removal of the daily sweepings, tea of the Town provision ought to have been made in the Estimate for the cost of two pairs of Bullocks. The residents will arrange for this being done out of the balance which may be available at the close of the ^{current} Official year - and from the increased amount of Government Contribution of Rs 250.

6. The income of the Palghat Municipality is

Rates on houses, buildings, Lands	2,600
Canals, trades, & professions	1,400
<u>Tolls</u>	<u>10,782</u>
Fee for licensing slaughter houses, cart stands &c	100
Fines & other receipts	118
	<u>16,000</u>

Proc: 2/4th July/68 Rs 810.

expressed their opinion that is undesirable that so large a proportion of the Municipal Revenue should be raised from Tolls

New works & improvements	7,000
Repairs	7,500
Conservancy	2,000
Police	8,415
Establishment	1,950
For purposes other than those specified in Sec. 25	500
<u>Reserve</u>	<u>1,000</u>
	<u>28,500</u>

is still mainly derived from Tolls. Of a sum of Rs 16,000, which it is expected will be raised during the year 1869-70, no less than Rs 10,782 are from Tolls. The Government have already notified their dissatisfaction on this method of raising funds. ^{The whole question of this matter} will be taken into consideration on the revision of the Towns Improvement Act, & calls for no further remark here.

7. The Government notice with satisfaction the outlay proposed to be incurred on new works; but they do not consider the arrangement of the Conservancy ^{Establishment} satisfactory, inasmuch as not

not a single cart has
been provided for the
removal of the sweepings
and filth of the town.

The President will
call the attention of
the Municipal Com=
missioners to this deficiency
in their arrangements &
he will also draw their
attention to the large
Staff of 4 Adigharies,
& 4 Inenons, and 8 Amshom
Peons, proposed to be employed
for the collection of the
rate on houses &c.,
and the Tax on Arts,
trades, & professions,
amounting to not more
than Rs 4,000. The
tolls having been, it is
understood, farmed out
to a Contractor, who is
responsible for its
collection & payment.
Provision has been
made

made in the estimates for
"remuneration to a Clerk in
the President's Office;" but
the President has not
explained the necessity
for this addition. The
Municipal Establish=
ment ought to be able
to submit to the President
the necessary Estimates
& reports without involving
on his Office Establishment
any labor beyond the
transmission of the docu=
ments to Govt with such
remarks as he may
desire to offer.

the Governor in Council
