FROM

THE HONORABLE R. S. ELLIS, C. B.,
Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

I am directed to transmit to you a copy of the Proceedings of the Madras

Proceedings, dated 20th January 1869, No. 76.
Do. „ 9th February „ „ 178.

Government marginally noted, and to request that His Excellency the Viceroy and Governor General in Council will be pleased to sanction the appointment of a Commissioned Medical Officer to the Lock Hospitals at Madras. The number of patients already amounts to 200, and is likely to increase, and renders it necessary that so important a charge should not be left to a subordinate of the Medical Department.

2. I am to add that the necessity of providing a suitable building for the patients, whose number, under the operation of the Contagious Diseases' Act, is much larger than was expected, is under the consideration of the Right Honorable the Governor in Council, and that a communication on this, and other questions connected with the working of the Contagious Diseases, Act, will shortly be addressed to the Government of India.

I have the honor to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,
25th February 1869.
