*Proceedings of the Madras Government, Public Department,
25th February 1869.*

No. 206. Read the following letter from the President of the Municipal Commission, Bimlipatam, to the Chief Secretary to Government, Fort Saint George; dated Vizagapatam, 8th February 1869, No. 30.

Referring to paragraph 5 of G. O., dated 12th August last, No. 976, I have the honor to transmit the explanation from the Vice-President of the Bimlipatam Municipality, regarding their desire to construct a new Committee Room.

From G. RIPLEY, Esq., Vice-President, to the President of the Municipalities, Vizagapatam; dated Bimlipatam, 5th February 1869, No. 39.

In reference to Government Order, No. 976, I have the honor to request that you will obtain for us the sanction of Government for building a new Committee Room.

2. The partial cost of the building, as you know, is included in the estimates for the present year, and as roads, drains, and conservancy are very fully provided for up to May 1870, and as we have the cash in hand, we are in as good a position to undertake the building as we are ever likely to be in.

3. The building that we took over from the late Association unfortunately proved to be so insecure that it had to be taken down, and the room we now occupy (costing the late Association only Rupees 1000) is badly situated, and is too small for our purpose. We make no doubt, therefore, that Government will at once accede to our wishes in the present respect.

No. 207. ORDER THEREON, 25th February 1869, No. 252.

The Right Honorable the Governor in Council will be glad to learn the estimated cost of the proposed Committee Room. He desires also, with reference to the 2nd paragraph of Mr. Ripley's letter,

to receive a detailed account of the "very full" provision for the Conservancy of the Town of Vizagapatam, which is secured by an annual expenditure of Rupees 870.
