*Proceedings of the Madras Government, Public Department,
10th March 1869.*

Read again letter from the Acting Inspector General of Police, dated 22nd December 1868, No. 7233-2365, and letter from the Inspector General, Indian Medical Department, dated 7th January 1869, No. 5, recorded in Proceedings of Government, dated 28th January 1869, No. 123.

No. 55. Read also the following letter from the Collector of the Godavery District, to the Chief Secretary to Government, Fort Saint George; dated Ramachendrapore, 22nd February 1869, No. 5.

I have the honor to acknowledge receipt of the Proceedings of the Government, Public Department, dated 28th ultimo, No. 128, and to forward copy of the Acting Sub-Collector's letter, which furnishes the information required relative to the services of the Hospital Assistant attached to his office.

From the Acting Sub-Collector, to the Collector of the Godavery District; dated Gokaveram, 12th February 1869, No. 13.

With reference to your Official Memorandum, No. 25, of the 6th instant, calling for the information required in the Order of Government, No. 128, of the 28th January 1869, as to the way in which the services of the Hospital Assistant attached to my office are utilized when at headquarters, I have the honor to state that he has medical charge of the office servants, and attends at the execution of sentences of whipping, but that otherwise his work when at Rajahmundry is necessarily light.

2. I am, however, so much away from head-quarters, certainly more than half the year, and the Taluqs under my charge are proverbially so feverish, that I need hardly state that his services could not possibly be dispensed with.

No. 56. ORDER THEREON, 10th March 1869, No. 292.

As, under the circumstances explained by the Sub-Collector, Godavery District, it would not be expedient to withdraw the Hospital Assistant attached to his office, the Government approve of the appointment of a Medical Subordinate of that grade to the medical charge of Nursapore, and accordingly sanction the addition of one to the establishment.
