*Proceedings of the Madras Government, Public Department,
12th March 1869.*

No. 71. Read the following letter from A. WEDDERBURN, Esq., Magistrate of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 17th February 1869, No. 10.

With reference to the remarks of Government in paragraph 2 of order, dated 2nd February 1869, No. 144, I have the honor to state that I duly considered the question of the applicability of the Section of the Penal Code to the act said to have been committed by the Vaccinators.

2. The rules of practice at that time, not providing for the record of grounds of dismissal of a charge, I called on my Assistant to state his reasons for such dismissal, which, in the original form, after consideration, I forwarded in token of acquiescence in that opinion, and with certain suggestions, to the Superintendent General of Vaccine.

3. My agreement with my Assistant's decision prevented either my overruling it, or trying the case myself.

4. Under the above explanation, I trust that Government will be pleased to modify their impression that the case did not receive my due consideration.

No. 72. ORDER THEREON, 12th March 1869, No. 302.

His Excellency the Governor in Council is pleased to accept the explanation offered by the Magistrate of Coimbatore, in the letter above recorded, but is of opinion that Mr. Wedderburn should have clearly stated his acquiescence in the opinion expressed by the Assistant Magistrate in the case which forms the subject of the Proceedings of Government, dated 2nd February 1869.
