*Proceedings of the Madras Government, Public Department,
9th January 1869.*

No. 36. Read the following letter from Assistant Surgeon F. O. B. WITHER, Civil Surgeon and Deputy Magistrate of Tranquebar, to the Chief Secretary to Government, Fort Saint George; dated Tranquebar, 8th December 1868, No. 36.

I have the honor to submit the following subject for the favorable consideration of Government.

2. By a G. O. G. in the *Fort Saint George Gazette* of the 28th January 1868, I have been "invested with the powers of a Magistrate, and under Section 82 of Act "XIII. of 1864, authorized to perform the duties and exercise the powers which, "by the aforesaid Act, are assigned to, and conferred on, the Magistrate of the District."

3. In the exercise of this office, I have to interrogate and examine emigrants individually, to ascertain that they are fit for employment, and engage to emigrate of their own free-will. I am also empowered, by the above Notification, to try cases Magisterially; all prosecutions under this Act have, therefore, to be instituted before me.

4. For the performance of these responsible and important duties, I receive no remuneration whatever; and I now solicit that Government will be pleased to grant me an allowance of Rupees 100 monthly, to include the office allowance of Rupees 20 now drawn.

5. I trust that the Government will not consider my request unreasonable, as I feel sure that they do not desire to impose so heavy a responsibility, and so much extra labor, without due remuneration.

6. Should the Government see fit to accede to my request, I would beg that the concession may have retrospective effect from the 23rd May 1868, the date on which I assumed charge of the office.

No. 37. ORDER THEREON, 9th January 1869, No. 30.

The Government are not prepared to sanction the allowance for which application is made in the letter above recorded.
