Proceedings of the Madras Government, Public Department,
19th March 1869.

Read the following :—

No. 156. Extract from the Annual Medical Report of the Charitable Dispensary at Palghaut, by 2nd Class Hospital Assistant K. Kristnamah Naidoo, dated 1st January 1869, No. 579.

This Dispensary is supported partly by Government and partly from local funds. Many attempts were made to relieve the Government from its burden of providing diet and contingencies, and make the Dispensary self-supporting, both by the officials and the Secretary to the Dispensary, but the result was without any good efforts, (effects.)

“ Palghaut is a large Taluq and important in its trade, and inhabited by rich Brahmins and Nairs ; but it is to be regretted that (in) an useful institution (such) as this, in the midst of so many wealthy inhabitants, no interest whatever is taken.”

having been derived from the sources indicated in the margin, and that, after providing for the wants of the institution, the balance in hand on the 1st January 1868, was only Rupees 89-3-3.
