MADRAS RECORD OFFICE.

Government of Madras.

Public **DEPARTMENT.**

G.O. No.	365	Press ~~Mis.~~
Dated	22-3-	19-12-69

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Department,
22nd March 1869.

No. 178. Read the following letter from the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 19th February 1869, No. 22.

Adverting to the correspondence noted, I have the honor to forward plan and estimate* for enclosing the Leper Hospital, Fish Oil Manufactory, and Small-pox Hospital at this place in a permanent manner. The enclosures will be exceedingly useful to the Institutions concerned; and will tend to improve a part of the town which is rising in importance.

From Collector to Government, dated 30th May 1868, No. 78.

G. O., dated 4th July 1868, No. 802.

G. O., dated 14th July 1868, No. 2244.

* Detailed estimate will follow.

2. The enclosure round the Leper Hospital may conveniently be enlarged by running the wall that divides it from the Fish Oil Manufactory further to the north, so throwing ground not required at the Fish Oil Manufactory into the Leper Hospital enclosure.

And instead of running the east and west walls of the Small-pox Hospital enclosure out to the channel on the north, and leaving the north side unenclosed, I propose deflecting the walls as shown in dotted pencil on the plan, thus giving a complete enclosure, large enough for all purposes, at the same cost as in the original estimate.

These modifications have the concurrence of the Civil Surgeon.

3. It will be seen that the estimate amounts to Rupees 11,000. I have had a valuation statement made out, which shows that about Rupees 400 will be required to be given for huts removed, wells enclosed, &c. The landlords assent to the enclosures. The cocoanut trees will be worked as hitherto.

The improvement will be a very great one, and I hope funds may be made available for the early prosecution of the work.

No. 179. ORDER THEREON, 22nd March 1869, No. 365.

The Government are not prepared to sanction so large an expenditure as Rupees 11,000, for enclosing the Leper Hospital, Fish Oil Manufactory, and Small-pox Hospital at Calicut with a stone wall.

2. The Government consider that a ditch and hedge of some quick growing tree, such as the "Corukapilly," well planted will suffice.

3. The sum of Rupees 400, being the compensation to be paid for huts to be removed, wells to be enclosed, &c., is sanctioned.

(True Extract).

Chief Secretary.

To the Collector of Malabar, with plan and estimate.

„ Accountant General.

„ Inspector General, Indian Medical Department.

Public Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter

*from the
Collector of Malabar
(Here enters 23 July 1894 22)*

Order the sum Rs 365. 22 March 94.

*The Govt are not
prepared to sanction a
large expenditure, say
Rs 11,000, for enclosing
the Leprosy Hospital,
Fish Oil Manufactory &
Small Pox Hospital at
Calicut with a stone
wall.*

*2. The Govt consider
that a ditch and hedge
of some quick growing
tree such as the Copra-
-pilly well planted
will suffice*

Govt. of 1869 Malabar.

G. O., 22nd March 1869, No. 365.

MARCH.

No. 178-179.

Passing orders in regard to the estimate sub-
mitted for enclosing the Leprosy Hospital, Fish Oil
Manufactory, and Small-pox Hospital at Calicut
with a wall.

9. The sum of Rs 400
being the compensation
to be paid for tents to
be removed, walls to be
enclosed & inspection

[Faint, mostly illegible handwritten notes in the left margin]

To
The ^{with plan & estimate} ~~Office~~ of Malabar
Accountant General
Messrs J. M. De Paul

I think that
hedge & ditch will
be enough.

Can
~~may~~ not be substituted
area for the wall.

P.N.

I agree with the
Chief Secretary
A.S.
W.H.

The Collector Malabar
proposes an expenditure
of 11000 Rs for enclosing
by a wall the small
Pox & Leprosy hospitals at
Calicut
The cost for buying up some
lands is 400 Rs
I submit that the cost of
making a wall is out of all proportion
and I think the Collector should
be directed to report whether
a hedge such as Comca-pulling
or other quick growing trees
