Proceedings of the Madras Government, Public Department,
22nd March 1869.

No. 180. Read the following letter from the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 3rd March 1869, No. 24.

Under G. O., dated 11th September 1868, No. 1134, Rupees 76-14-0 were paid to Dr. Hewston for diet and treatment of sick paupers in the Manantoddy Hospital in June and July 1868, and I have now the honor to submit for sanction four more bills* of charges incurred by Drs. Hewston and Cream in August, September, and October 1868, amounting to Rupees 115-4-0.

2. Similar bills, forwarded with my letters marginally noted, amounting in all to Rupees 138,† are still pending final orders, and their early sanction is also solicited.

3. A number of destitute and fever-stricken coolies and others often pass Manantoddy, and Mr. Underwood in his letter of the 30th October 1868, No. 668, says, that "unless they had been taken to the Hospital and fed, they would have died like dogs in the street or jungle, and I regret to say that great numbers die after they are brought in, although all is done for them that is possible."

4. I am not sure whether the charges incurred for such fall within the scope of the G. O., dated 5th August 1868, No. 943, regarding "dieting destitute children, pauper travellers and others similarly situated," and as I am not aware of any special provision for relieving sick paupers, I beg to suggest that they may be treated like the travelling paupers, and Dr. Cream permitted to draw monthly bills, as already adverted to in my letter of the 7th August last, embodied in Proceedings of Government, dated 3rd September 1868, No. 1109.

No. 181. ORDER THEREON, 22nd March 1869, No. 366.

It appears from the foregoing letter from the Collector of Malabar that bills, amounting to Rupees 330-2-0, have been submitted by Drs. Hewston and Cream, for diet and treatment of sick paupers in the Manantoddy Hospital, from April to October 1868, and that Rupees 76-14-0 of that amount were sanctioned in G. O., dated the 11th September 1868, No. 1134.

2. Before sanctioning the balance, viz., Rupees 253-4-0, the Government request that the Inspector General, Indian Medical Department, will submit the report which was called for in G. O., dated the 3rd September last, No. 1109, as to whether the charges made by Drs. Hewston and Cream are such as should receive the sanction of Government.
