*Proceedings of the Madras Government, Public Department,
27th March 1869.*

No. 225. Read the following letter from Messrs. ARBUTHNOT and Co., Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th March 1869.

Referring to Proceedings of Government, Nos. 19 & 20 of 4th July 1868, and 15 & 16 of 2nd February 1869, on the subject of the Civil Dispensary at Palcondah, we have the honor to inform you that we cannot find a pensioned Apothecary willing to give his services for the sum sanctioned by Government, viz., Rupees 50 per mensem.

2. From the enclosed copy of a letter from the Acting Secretary to the Inspector General, Indian Medical Department, Fort Saint George, you will observe that the Inspector General, Indian Medical Department, considers that an intelligent pensioned Dresser would be quite capable of performing the medical duties required at Palcondah. Also that there are several Dispensaries already under charge of Native Dressers; and that it is not probable we could secure the services of a pensioned Dresser for a smaller sum than that sanctioned by Government for an Apothecary, viz., Rupees 50 per mensem.

3. Under these circumstances we have the honor to request the permission of Government, for the engagement of a pensioned Dresser in lieu of a pensioned Apothecary, and that the allowance of Rupees 50 per mensem, granted for the support of an Apothecary, may be sanctioned as the pay of the Dresser in charge of the Palcondah Dispensary.

From the Acting Secretary to the Inspector General, Indian Medical Department, Fort Saint George, to Messrs. ARBUTHNOT and Co., Madras; dated Fort Saint George, 3rd March 1869, No. 806.

I have the honor, by desire of the Inspector General, Indian Medical Department, to acknowledge the receipt of your letter of the 25th ultimo, and to inform you that, in his opinion, an intelligent pensioned Dresser would be quite capable of conducting the duties of the proposed Civil Dispensary at Palcondah. There are several other Dispensaries now under the medical charge of Native Dressers.

2. The Inspector General does not think that a smaller sum than 50 Rupees per mensem would induce any pensioned Dresser to accept the appointment; but should you obtain the sanction of Government for the disbursement of this sum to a Dresser, this office may be able to help you in finding a suitable man for the appointment.

No. 226. ORDER THEREON, 27th March 1869, No. 389.

Under the circumstances represented in the foregoing letter, the Government sanction an allowance of 50 Rupees per mensem to a pensioned Dresser who may be considered capable of undertaking the medical charge of the Civil Dispensary at Palcondah, and who is willing to give his services.

2. The allowance will be passed to the Dresser from the date on which he enters upon his duties.
