PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the

Under Secretary, Govt of India,
Home Department:

(Here enters 24 Feb/69 No. 1055)

It will do no harm to
refer the matter to
the subject General V. Order thereon 31 March 1869 No. 396.

I rather think
that this order
must refer to the
Office held by
H. or Powell who
is an only Commissioner
Office in the
Vaccination Dept.

Communicated
to the Inspector General,
Indian Medical Dept.,
who is requested to report
the effect of the Order
of the Government of
India on the Superintend-
ence of Vaccination in
this Presidency.

Consent sanction to the
grant to Dept. of Vaccination
the amount of Rs. 1000 of the
same rate of Rs. 1000 as that
paid for the same purpose
in charge of Native Dept.

235-

Note.

The Resolution of the Government of India sanctioning the grant to Superintendents of Vaccination throughout India of the ~~fixed~~^{fixed} allowance of a Medical Officer in charge of a Native Regiment, is not applicable to this Presidency.

2. With the exception of the Superintendent General of Vaccination, whose minimum salary is

Surgeon under 250	Rs 400.
do above 250	500
Surgeon	500.
Surgeon Major	1000

is Rs 700, and maximum,
according to rank, Rs 1250,
the Superintendents are,
one and all, of the
Unexempted Class.

They are distinguished
by the Government of
India as "Native Super-
intendents," and the salary
paid to each does not
exceed 70 Rupees per mensem.

3 Under these cir-
cumstances it seems
sufficient of the Resolution
of the Government of India
were simply communi-
cated to the Inspector
General, Indian Medical
Department.
