*Proceedings of the Madras Government, Public Department,
3rd April 1869.*

No. 20. Read the following letter from the President of the Adoni Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Hospett, 23rd March 1869, No. 24.

Adverting to paragraph 3 of the Order of Government, Public Department, No. 300, dated 12th instant, I have the honor to state that the existing roads and drains in the town of Adoni are in such a state of disrepair that I deemed it expedient to arrange for their being put in order before making provision for new roads which are not urgently needed. The Commissioners have decided to have the sweepings of the town removed by contract, which renders unnecessary the purchase of cattle and carts.

The President of the Municipal Commission for the town of Adoni will be requested to afford information of the conditions of the contract referred to in the foregoing letter, and whether the sweepings of the town are removed by carts.
