TANJORE,
6th March 1869.

(Signed) G. L. MORRIS,
President.

No. 25.

ORDER THEREON, 3rd April 1869, No. 427.

The President of the Municipal Commission of Tanjore submits, with his letter above recorded, the estimates of the probable receipts and disbursements in that Municipality during the year 1869-70.

2. The aggregate amount to be raised by the levy of the taxes, provided for in the Towns' Improvement Act, is the same (Rupees 45,000) as in the current year, but there are slight variations in the details. The rate on houses, &c., and the tax on carriages and animals fall short of the items entered in the current year's estimate by Rupees 1000, while the income from tolls has been increased from Rupees 14,000 to Rs. 15,000. The fees for the registration of carts, &c., have been abandoned, and fees for slaughter-houses, cart-stands, &c., substituted to the extent of Rupees 500.

3. The Government contribution (Rupees 18,550) and the balance (Rupees 12,000) added to the amount (Rupees 45,000) to be realized, places at the command of the Municipal Commissioners, a sum of Rupees 75,550, which they propose to devote to the following purposes :—

	RS.
New works and improvements...	21,382
Repairs...	9,000
Public Works Establishment...	1,128
Conservancy...	18,375
Police...	15,202
Supervision and management, including Sundries..	9,113
Lighting (for purposes other than those specified in Section 25)...	1,350
Total...	75,550

4. Under the head of "New Works," the Government observe that a sum of Rupees 4000 has been set apart for strengthening the embankments of three tanks, and Rupees 9815 for good-water iron pipes. More detailed information should be afforded as to the scheme which has been adopted for supplying the town with water, and as to the professional assistance which has been available to the Commissioners in preparing the plan and estimate for this work. The entire probable cost of the work should also be stated.

5. Under the head of "Conservancy" is included a charge of Rupees 650 for planting 325 avenue trees at an average rate of Rupees 2 per tree. The charge, in the absence of explanation, seems high, and the President's attention will be drawn to it. His attention will also be drawn to the omission in the estimate of the number of carts to be hired at Rupees 843-12-0 per mensem, and of the number of sweepers and scavengers at Rupees 383.

6. Under the head of "Supervision and Management," the following charges occur, viz. :—

	RS.
Horse allowance to Manager, at Rs. 20 per mensem...	240
Charges on account of the carriage for the Municipal Commissioners, at Rupees 67 per mensem...	804
Total...	1,044

7. There has been no explanation offered by the Municipal Commissioners, or by the President, for including these charges in the annual estimates. The detail of estimates shows that adequate supervision has been provided for new works and repairs, and for conservancy, and the necessity, therefore, of giving the Manager of the office horse allowance, and providing the Commissioners with a pair of horses, is not apparent, and the Government must decline, without further explanation, to pass these charges.

8. With the exceptions above noticed the estimates of receipts and disbursements, and the taxes to be levied, are approved and sanctioned.

9. The Notification regarding the taxes, and the list of Commissioners, will be published in the *Fort Saint George Gazette*.

NOTIFICATION.

while the income from Tolls has been increased from Rs. 14,000 to Rs. 15,000. The fees for the Registration of Carts have been abandoned and fees for Slaughter houses, Cart stands &c substituted to the extent of Rs. 500.

3. The Government contribution / Rs. 18,000 / and the balance / Rs. 12,000 / added to the amount / Rs. 45,000 / to be realized, places at the command of the Municipal Commissioners, a sum of Rs. 75,000 which they propose to devote to the following purposes.

Public Works Establishment	1,128

4. Under the head of New Works, the Government have shown a sum of Rs. 4,000 has been set apart for strengthening the embankments of three

three Tanks, and Rs. 9,815 for good water ^{iron} pipes. More detailed information should be afforded as to the scheme which has been adopted for supplying the town with water, and as to the professional assistance which has been available to the Commissioners in preparing the plan and estimate for this work. The entire probable cost of the work should also be stated.

5. Under the head of Conservancy is included a charge of Rs. 650 for planting 325 Avenue Trees at an average rate of Rs. 2 per Tree. The charge, in the absence of explanation, seems high, and the President's attention will be drawn to it. His attention will also be drawn to the omission in the estimate of the number of carts to be hired at Rs. 842.12. per mensem and

and of the number of sweepers
and scavengers at Rs. 383.

6. The Government do not ap-
prove of the entire exclusion from
the Estimate of the probable outlay
Rs. 6815/ required for the con-
struction of Policemen's Quarters. The
provision of suitable accommoda-
tion for the Police Force should not
be indefinitely postponed. It is
therefore suggested that an allot-
ment of at least Rs. 2000 be made
for this purpose.

7. Under the head of Supervi-
sion and Management, the fol-
lowing charges occur viz:-

Horse allowance to Managers at Rs. 20 per man per annum	240
Charges on account of the Car- riage for the Municipal Commissioners at Rs. 67 per annum	804
	<u>Rs. 1044/-</u>

8. There has been no explanation
offered by the Municipal Commission-
ers, or by the President, for including
these charges in the annual Estimates.
The detail of Estimates shows that
adequate supervision has been pro-
vided for new works and repairs,
and for Conservancy, and the necessity
therefore of giving the Manager of the office
Horse allowance, and providing the Com-
missioners with a pair of Horses is
not apparent; and the Government
decline to pass these charges.

9. With the exceptions above stated
the Estimates of receipts and disbursements,
and the Taxes to be levied, are approved
and sanctioned.

10. The notification regarding
the taxes, and the List of Commissioners
will be published in the Fort St. George
Gazette.
