No. 58. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 21st December 1868, No. 253.

Budget and Resource Department.

With reference to the accompanying letter from the Private Secretary to the Right Honorable the Governor, No. 2191, dated the 14th instant, referred for my report, I have the honor to state that I do not anticipate any savings in the current year's Budget grant, under "17, Administration and Public Departments," to cover the sum of Rupees 2465-0-4, referred to in the above letter. If, however, it is found necessary to sanction the charge, a transfer may, at the end of the year, be proposed to meet the deficiency under the above head of service, from savings under other heads of account.

Proceedings of the Madras Government, Public Department,

No. 59. ORDER THEREON, 13th January 1869, No. 45.

His Excellency the Governor in Council sanctions the disbursement of the sum of Rupees (2465-0-4) two thousand four hundred and sixty-five and Pice four, particularized in the statement submitted with the first of the foregoing letters; and approves the arrangement suggested by the Accountant General to meet the charge by a transfer from savings under other heads of account.
